1. The Ministry of Metallurgy and Chemical Industries is located at 133 Calea Victoriei, Bucharest, Rumania. It employs 1,120 persons. It is divided into two general sections, administrative and functional, and the functional section is in turn divided into the following departments:
 - a. Department of Explorations (formerly Minerals).
 - b. Department of Non-ferrous Metals.
 - c. Department of Iron and Steel.
 - d. Department of Investments.
 - e. Department of Chemical Industry.
 - f. Department of Supply and Repairs.
 - g. Department of Re-smelting of Scrap Metals.

Each of these departments is in turn divided into the following sections:

- a. Planning.
- b. Purchasing.
- c. Labor and salaries.
- d. Investments.
- e. Supply and repairs.
- f. Installations.
- g. Personnel and training.
- h. Accounts
- i. Drawing office.
- j. Secretariat.
